Proceedings of the Meeting of Council dated 23-6-1942

Subject No 9

Letter No 11114/M1 111-41-84 dated 21-5-42 from the Law Secretary that there is no need for a Complaints Committee

Mr V K Govindarajulu moved that this Council resolved that there is a necessity for a complaints Committee and Government be requested to reconsider their decision. He said that it was not with a view to interfere with the powers of the executive that they want the Committee but to give some sort of work to the vice President

Mr L A Gopalaswamy Iyengar observed that since the Council was competent to form Committees for the discharge of its works, there was no need to obtain Government sanction for the same

Mr K Shamaraja Iyengar also held the same view

The President informed the House that since they had framed some bye-laws for working of the Committee they had to get Government sanction for them and hence the reference to the Government

Then the proposition of Mr V K Govindarajulu was approved by the House
